## **Terms of Service**

By commissioning me (Tsebresos) you agree to these terms and give your consent to follow them.

### **For commissioned artwork:**

- I will be happy to take on commissions from minors (under the age of 18) as long as the parents/guardians are okay with it.
- Artwork will not be completed until full payment is given.
- Once payment has been made, there will be no refunds given unless the commission absolutely cannot be completed, and/or I decide to issue the refund.
- Commissioned pieces can be posted, linked, or used personally by the commissioner any way they'd like. However the copyright on the piece will still belong to me; meaning that I still reserve the right to print, redistribute or use the artwork in whatever way I wish. If you do not want your commission to be used that way, you may purchase the copyright (including commercial rights) to the piece for an additional fee. In the case of traditional pieces, the commissioner has the right to the original piece of artwork if they'd like (may require extra payment depending on shipping rates and materials.)
- If you find the commission unsatisfactory, I will do what I can to make it work. However, refunds will not be given and the entire piece will not be redone. Any edits made by me will be only if you specified a certain feature (colors, specific anatomical structures) BEFORE paying, and I forgot it. No edits will be made to change shape or style (ie I don't like that the wrist is too thin, the lines are too dark etc.) By commissioning me you agree to understand the quality and style of my work, and if you don't like it then don't commission me (it'll save us both a lot of headache.)

### **For commissioned fursuits:**

- I will not take fursuit commissions from minors. You must be at least 18 years or older to commission a fursuit from me.
- A down payment on the fursuit is required to secure your slot and for me to buy the materials I need. After this payment is given, there will be no refunds of that money.
- If you find for some reason that you are unable to pay for the rest of your suit, a refund of money paid after the down payment will be given, but I will keep the suit and sell it to somebody else. In most cases I will try and change the suit a bit so the design is not exactly your character.
- After the suit is done, I will send you pictures of it. If there is something you don't like, you can let me know about it and I will fix it in some cases. Any edits made by me will be only if you specified a certain feature (colors, specific anatomical structures) BEFORE paying, and I forgot it. However, the suit will not be completely overhauled or rebuilt. By commissioning me you agree to understand the quality and style of my work, and if you don't like it then don't commission me (it'll save us both a lot of headache.)

- Once you have the suit you may sell it if it's no longer desired (no need to ask me if you can), but I'd appreciate it if you linked the suit back to me as the original maker.
- There is a one-year warranty on your suit where as long as you pay for shipping, you can send it back to me and I will fix it if it breaks. *Fursuits used in adult activities completely void their warranty!*
- Please do not upload NSFW or adult photos containing my products.*
